FOR PERSONAL AND SYSTEMIC DEVELOPMENT

NEW ERA
NETWORK

EXPERIENTIAL SEMINAR
PSYCHO-SYSTEMIC MEDICINE

*“There are no illnesses but only ill persons.
There are no symptoms but only personal and family related events.”*

In human beings the body, mind and the conscious and unconscious emotions all join together, as well as family-systemic aspects, creating an indivisible unit whose degree of coherence and balance to some extent determine health and disease.

Friday, 11 february 2011, from 10-16 hs.
Saturday, 12 february 2011, from 10-16 hs.

FACILITATOR:

Johannes Beckmann
